The Everyone's Invited campaign has rightly served to focus our minds on the need to continue to work together to protect pupils.

We, at EMAT, believe that schools play a crucial role in teaching pupils about sex and relationships, equality and diversity and modern citizenship as well as preparing them for the modern world. This is enacted through each school's culture, its curriculum, and all policies. We aim to give all pupils and staff a voice to enable them to act in a protective manner towards themselves and others. This includes developing a robust whistleblowing culture as well as fostering a culture of integrity and mutual respect.

We recognise that we have the responsibility of tackling sexual violence and harassment, instilling values in our stakeholders and encourage all to be driven by their strong moral compass. Like so much of education, our work must complement that undertaken by parents and carers so that young people receive a consistent message, and they can go about their lives free from harassment and abuse.

All of our schools will continue to engage with their stakeholders, listen to their concerns and signpost necessary support and provision within and beyond its schools. We ask that anyone who has experienced such behaviour, or who is suffering because of it, to report it to an appropriate adult either in the school or within the EMAT team so they can be supported, and steps can be taken to address the issue.

A dedicated NSPCC helpline is now available to support anyone who has experienced sexual abuse in educational settings or has concerns about someone or the issues raised. The dedicated **NSPCC helpline number is 0800 136 663 or by emailing help@nspcc.org.uk**

Staff members can also seek support from **Employee's Assist on 08000 305 182.**

If you are troubled about possible wrongdoing at work, please don't keep it to yourself. Our [Whistleblowing Policy](#) is there to reassure you that it is safe and acceptable to speak up and to enable you to raise any concern you may have at an early stage and in the right way. EMAT - BEHAVIOUR POLICY 2023-2024

1 Introduction

At East Midlands Academy Trust we believe the most important function of the academies across the Trust is to maintain an environment in which every member of the academy is able to achieve success. Good behaviour in our schools is central to good education. This policy sets out how we aim to provide calm, safe, supportive environments in which young people can learn and thrive. We teach pupils how to behave well because this is vital for their personal development as well as academic success. We aim to treat pupils and young people fairly and without prejudice or discrimination. We understand that pupils and young people are individuals with individual needs and will adapt our behaviour management strategies to fit the needs of all.

All staff endeavour to create an environment where pride in their academy and its environment are very important. We encourage the pupils to develop a caring, responsible and helpful attitude towards each other and those who work with them. We encourage our pupils and young people to take ownership of the behaviours they display and we teach the behaviours we want to see by teaching pupils how to behave in line with our schools' behaviour curriculums.

Our aims are to:

- Develop respect for other people and their opinions, regardless of race, gender, social, physical and intellectual abilities.
- Create a positive environment where pupils feel happy, safe and secure.
- Promote positive relationships that safeguard and promote the welfare of pupils, creating an effective learning environment.
- Help pupils realise their own self-worth, confidence, belief and potential.
- Develop self-control, resilience and independence.
- Enable pupils to understand the implications of their behaviour, to control and manage their own behaviour and most importantly, to independently take responsibility for their behaviour.
- Develop a sense of responsibility and pride for their academy.
- Respond to any concerns about bullying, investigating them thoroughly and resolving, without delay.
- Raise awareness amongst pupils to ensure that their behaviour does not put their peers or staff at an increased risk in respect of health and safety.
- Raise awareness amongst pupils for the need to recognise and manage their emotions and reactions; and
- Support pupils whose behaviour within the academy environment is challenging or who may find friendship and co-operation difficult.

We provide a safe environment where we promote pupils' welfare. Within this environment we work hard to build pupils' resilience to radicalisation and extremism by promoting fundamental British values and for everyone to understand the risks associated with terrorism. We want pupils to develop their knowledge and skills in order to challenge extremist views.

This policy outlines the high behavioural standards the Trust expects from all our pupils and sets out the sanctions that will follow if this policy is not adhered to. This policy will be published on the academy's website and reviewed annually by the Board of Trustees.

2 Behaviour Principles

- All members of the academies should be able to learn in a calm, safe and purposeful environment.
- The behaviour principles underpin the culture and ethos of each academy. They are the foundation for a clear, shared understanding between pupils, teaching staff, support staff, parents/carers and governors.
- All members of the academies should aim to teach pupils to have the moral purpose to do the right thing regardless of reward.
- Behaviour is everybody's responsibility and staff should feel empowered to take action and provided support where this is needed.
- All adults in the Academy Trust are responsible for being a model of positive and respectful behaviour towards students and each other.
- Behaviour is more effective when action to address it is taken immediately and appropriately.
- An essential part of behaviour management is that a pupil understands that unacceptable behaviour results in sanctions being imposed and that good behaviour results in rewards.
- Corporal punishment will **never** be used.
- High expectations of all members of the academy must be clear and explicit, and modelled and demonstrated by all members of the academies.
- Establishing and rewarding good behaviour affecting as many pupils as possible.
- Good behaviour can be best promoted through high-quality teaching (informed by the principles set out in EMAT's *Teaching and Learning Framework*) and the implementation of academies' behaviour curriculums.

3 Academy behaviour curriculum

Positive behaviour reflects the values of the academy and ensures pupils are ready to learn and have respect for others. This is established through creating an environment where good conduct is more likely and poor conduct less likely. Good behaviour is taught to all pupils, so that they understand what behaviours are expected and encouraged as well as those that are unacceptable. Our behaviour curriculum (see appendix 1) outlines the expected behaviours, habits and routines in the academy and what positive behaviours look like.

4 Roles and Responsibilities

The proprietors of Academies have a duty under paragraph 7 of Schedule 1 to the Education (Independent School Standards) (England) Regulations 2010 to ensure that arrangements are made to safeguard and promote the welfare of pupils.

All members of the Trust community are expected to follow this policy. Roles, responsibilities and expectations of each section of the Trust community are set out in detail below:

Board of Trustees

The Trustees will work with the Executive Team and Headteachers to set the ethos and a set of core values that promote high standards of expected behaviour from pupils attending its academies. Trustees will monitor and evaluate the impact of the policy and will hold the CEO, Executive Headteachers and Heads of School to account for its implementation. Trustees will ensure that they and local governors receive relevant training on exclusions, behaviour and discipline regularly.

Chief Executive Officer

The CEO will ensure that this Behaviour Policy is applied consistently across all academies within the Trust and will report back to the Trustees on educational outcomes, behaviour management, support strategies and early intervention for pupils requiring additional support. They will ensure that senior staff receive regular continued professional development and receive regular training on behaviour management.

Local Advisory Board

Local governors in each academy will review and monitor the application and implementation of this policy by receiving regular reports from the Headteacher on behavioural sanctions and support put in place for pupils at the respective academy. Local governors will scrutinise relevant data, review relevant exclusion decisions and act as a point of challenge for decisions taken by the Head.

Academy leaders

Academy leaders will be highly visible, routinely engage with pupils, parents and staff on setting and maintaining the behaviour culture and an environment where everyone feels safe and supported. They make sure all staff understand the academy's behavioural expectations and the importance of maintaining them.

Each Headteacher or Head of School, with support from their Senior Leadership Team, will ensure that staff are supported and up to date with policy changes. They will ensure that lessons are well led, effectively managed and that staff regularly and effectively self-evaluate their behaviour management strategies and their implementation of the behaviour curriculum.

Leaders will ensure that all staff receive induction training and ongoing training and support in relation to the management of pupils' behaviour.

Leaders will monitor how staff implement this policy to ensure rewards and sanctions are applied fairly and consistently. They act as a source of support and guidance for staff on behaviour management strategies and discipline.

Staff

All staff across the EMAT have high expectations of pupils' conduct and behaviour and apply the behaviour policy fairly, proportionately, and without discrimination, taking account of pupils' different needs and challenges that some vulnerable pupils may face. Staff develop a calm and safe environment for pupils and establish clear boundaries of acceptable pupil behaviour. Staff implement the whole-academy approach to behaviour by teaching and modelling expected behaviour and positive relationships so that pupils can see examples of good habits and are confident to ask for help when needed. Staff also challenge pupils to meet the school expectations and maintain the boundaries of acceptable conduct.

Specific roles and responsibilities at all levels from class teacher to the Senior Leadership Team (SLT) can be found in Appendix 5; in an EYFS setting there will be a nominated person with responsibility for behaviour.

Staff, including teachers, support staff and volunteers, will be responsible for ensuring that the Behaviour Principles and Behaviour Policy and procedures are followed, and consistently and fairly applied. Mutual support amongst all staff in the implementation of the principles and policy is essential. Staff are responsible for teaching the behaviours (the behaviour curriculum) they want to see. They are responsible for implementing the behaviour curriculum and ensuring pupils know and remember what they have been taught.

Staff will support pupils who are new to the school to understand the academy's behaviour systems, rules and routines.

All staff should use positive behaviour management strategies in order to focus pupils on their learning.

Staff have a key role in advising the Trust Board, CEO, LABs and Headteachers on the effectiveness of the behaviour principles, policy and procedures. They also have responsibility, with the support of the SLT, for creating a high-quality learning environment, teaching good behaviour and implementing the agreed policy and procedures (including sanctions and rewards) consistently.

Staff have the power to discipline pupils for misbehaviour which occurs in the academy, and, in some circumstances, outside the academy.

Parents/carers

The role of parents is crucial in helping the academy develop and maintain good behaviour. To support the academy, parents are encouraged to get to know the school's behaviour policy and, where possible, take part in the life of the academy and its culture. Parents have an important role in supporting the school's behaviour policy and are expected to take responsibility for the behaviour of their child/ren both inside and outside the academy as well as reinforcing the policy at home as appropriate. Where a parent has a concern about management of behaviour, they should raise this directly with the academy while continuing to work in partnership with them. In some circumstances, academy staff will provide support for parents to be able to implement positive behaviour strategies outside of school.

Pupils

All pupils deserve to learn in an environment that is calm, safe, supportive and where they are treated with dignity. Pupils are expected to take responsibility for their own behaviour and will be made fully aware of the Academy Trust's Principles, academy policy, procedure and expectations. Pupils are taught that they have a duty to follow the school behaviour policy and uphold the school rules and contribute to the academy culture. Pupils are asked about their experience of behaviour and provide feedback on the academy's behaviour culture. This helps support the evaluation, improvement and implementation of the behaviour policy.

Pupils also have a responsibility to ensure that incidents of disruption, violence, bullying and any form of harassment are reported.

5 Procedures

The policy will make clear to pupils how acceptable standards of behaviour can be achieved and will have a clear rationale which is made explicit to staff, pupils and parents/carers. The policy will be consistently and fairly applied and promote the idea of personal responsibility and that every member of the academy has a responsibility towards the whole community.

Initial investigations of minor infractions of the policy may be carried out by a member of staff/teacher on their own. Further investigations or initial investigations of more serious offences must be carried out by two staff together. In secondary academies pupils who have witnessed the behaviour will be asked to provide written, signed and dated statements. In primary academies pupils who have witnessed the behaviour may be asked to provide a written account or may be asked to describe to staff what they saw, and the member of staff will make a note of the response. Any questions raised by staff will be open and non-leading. If the police wish to question the pupil, the academy will ensure that a responsible adult is present at all times and will inform the pupil's parents of what has happened as soon as possible.

When more than one pupil is involved in an incident and the interpretations of an event differ, then every effort will be made to try to determine the truth. Staff will make no pre-judgements and will be non-biased. Pupils will be listened to and encouraged to be honest.

If this still remains unclear, then the staff members involved will use their professional judgement to come to a conclusion on the balance of probabilities.

In exceptional circumstances, pupils may receive a suspension pending an investigation, as a neutral act, if there is a possibility that the welfare of other pupils may be compromised by that pupil remaining in the academy.

6 Recognition of Positive Behaviour

An ethos of encouragement is central to the promotion of good behaviour. It is our duty to promote and encourage positive behaviour and not just to react to unacceptable behaviour. Rewards are one means of achieving this. They have a motivational role in helping pupils to realise that good behaviour is valued, and the rewards systems are clearly defined in the academy's Behaviour Policy. Integral to the system of rewards

is an emphasis on praise, both informal and formal, to individuals and groups. Staff will also be aware where there are exceptional cases where praise has a negative impact on a pupil's behaviour.

At EMAT we believe that when a child demonstrates unacceptable behaviour, it is the behaviour which is unacceptable, not the child.

7 Reward Systems

The reward systems used in the academy are constantly reviewed to ensure consistency of use. Our aim is to celebrate success which will raise the self-esteem of our pupils and their corresponding behaviour at home and in our academies. Good behaviour is encouraged through a mixture of high expectations, clear policy, an effective behaviour curriculum creating an ethos which fosters discipline and mutual respect between pupils and between staff and pupils. The reward system for the academy is detailed in *Appendix 2*.

8 Sanctions

Sanctions are needed to respond to inappropriate behaviour. The sanctions used will be characterised by clarity of why the sanction is being applied and what changes in behaviour are required to avoid future sanctions.

The use of sanctions in the academy is detailed in *Appendix 2*. The sanctions are guidelines, the individual needs of the child and their circumstances are crucial to good behaviour management. Knowledge of the child and their situation is paramount. Sanctions may include the use of detentions, including detention outside academy hours.

Detention

a) What the law states

Teachers have the power to issue detention to pupils (aged under 18), including detention outside academy hours. The times outside normal academy hours when detention can be given (the 'permitted day of detention') include:

- Any academy day where the pupil does not have permission to be absent.
- Weekends - except the weekend preceding or following the half term break and
- Non-teaching days – usually referred to as 'training days', 'inset days' or 'non-contact days'.

The Headteacher can decide which members of staff can issue pupils with a detention.

b) Matters academies should consider when imposing detentions

- Parental consent is not required for detentions.
- As with any disciplinary penalty a member of staff must act reasonably and appropriately given all the circumstances, when imposing a detention.
- With lunchtime detentions, staff should allow reasonable time for the pupil to eat, drink and use the toilet.

c) Detentions outside academy hours

Academy staff should not issue a detention where they know that doing so would compromise a child's safety. When ensuring that a detention outside academy hours is reasonable, staff issuing the detention should consider the following points:

- Whether the detention is likely to put the pupil at risk

- Whether the pupil has known caring responsibilities which mean that the detention is unreasonable.
- Whether the parents ought to be informed of the detention. In many cases it will be necessary to do so, but this will depend on the circumstances. For instance, notice may not be necessary for a short end-of-day detention where the pupil can get home safely and
- Whether suitable travel arrangements can be made by the parent for the pupil. It does not matter if making these arrangements is inconvenient for the parent.

9 Pupils with Special Educational Needs and/or Disabilities

In the context of this policy, a child is considered to have SEND if he or she:

- has difficulties in learning which are significantly greater than the majority of other pupils of the same age; or
- has a disability which prevents or limits them from accessing the curriculum; or
- has behavioural, emotional or social difficulties which impact adversely on their learning and progress.

The Trust is aware that continuous disruptive behaviour can be a result of unmet needs. If such needs are identified, the academy will do all it can to ensure that the pupil receives appropriate support. The Trust is conscious of its legal duties under the Equality Act 2010 in respect of pupils with disabilities and will make reasonable adjustments to this policy to avoid any substantial disadvantage that a pupil may face as a consequence of their disability compared to their non-disabled peers. A reasonable adjustment that may be made would be to impose an adapted sanction for a pupil whose behaviour is a consequence of their disability than would be imposed for a pupil exhibiting the same behaviour who does not have that disability.

An Individual Behaviour Plan and/or Pastoral Support Plan and/or Individual Provision Maps will be used for pupils with SEND whose condition causes them to display challenging behaviour and advice will be sought from external agencies where necessary to assist with putting in place appropriate support strategies, which will be monitored and reviewed. Parents will be part of the Behaviour Plan process and where appropriate these will be shared with the child. *Please refer to EMAT's SEND policy for further information.*

10 Searching, Confiscation and Screening

Searching

If an investigation or an allegation leads to reasonable suspicion and the search of a pupil's clothes, bags and lockers is deemed appropriate, a search may be carried out. Staff will follow the latest DfE guidance on searching, screening and confiscation when conducting a search.

A teacher or someone who has lawful control of the child can search a pupil with their consent to look for any item banned by the academy rules. Pupils must be first asked to empty pockets and bags themselves. If the pupil refuses to give permission the academy may impose a sanction for failing to follow a reasonable instruction.

Headteachers and staff authorised by them have a statutory power to search pupils or their possessions, **without consent**, where they have reasonable grounds for suspecting that the pupil may have a prohibited item.

Prohibited items are:

- Knives or weapons
- Alcohol
- Illegal drugs
- 'Legal highs'
- Stolen items

- E-cigarettes, tobacco and cigarette papers
- Fireworks
- Pornographic images
- Any article that the member of staff reasonably suspects has been, or is likely to be, used to commit an offence, or to cause personal injury to, or damage to the property of, any person (including the pupil)

Headteachers and authorised staff can also search for any item banned by the academy rules which has been identified in the rules as an item which may be searched for. Any search by a member of staff for a prohibited item listed above and all searches conducted by police officers should be recorded in the school's safeguarding reporting system, including whether or not an item is found.

Any search **without consent** must be conducted by a member of staff of the same sex as the pupil in the presence of another member of staff. A member of staff can only carry out a search of a pupil of the opposite sex and/or without a witness present, where the member of staff reasonably believes that there is a risk that serious harm will be caused to a person if they do not conduct the search immediately and where it is not reasonably practicable to summon another member of staff.

Academies should make clear in their behaviour policy and in communications to parents and pupils which items are banned.

During the search

The power to search without consent enables a personal search, involving removal of outer clothing and searching of pockets, but not an intimate search going further than that, which only a person with more extensive powers (e.g. a police officer) can do.

Where the pupil refuses to remove outer clothing, the searcher can use reasonable force to remove, for example, an overcoat. Staff must not require a searched pupil to remove, and must not themselves remove, clothes beneath outerwear.

Confiscation

Academy staff can seize any prohibited item found as a result of a search. They can also seize any item, however found, which they consider harmful or detrimental to academy discipline or for health and safety reasons.

Screening

Academies can require pupils to undergo screening by a walk-through or hand-held metal detector (arch or wand) even if they do not suspect them of having a weapon and without the consent of the pupils.

Academies' statutory power to make rules on pupil behaviour and their duty as an employer to manage the safety of staff, pupils and visitors enables them to impose a requirement that pupils undergo screening. Any member of academy staff can screen pupils.

If a pupil refuses to be screened, the academy may refuse to have the pupil on the premises. Health and Safety legislation requires an academy to be managed in a way which does not expose pupils or staff to risks to their health and safety and this would include making reasonable rules as a condition of admittance.

If a pupil fails to comply, and the academy does not let the pupil in, the academy has not excluded the pupil and the pupil's absence should be treated as unauthorised. The pupil should comply with the rules and attend.

This type of screening, without physical contact, is not subject to the same conditions as apply to the powers to search without consent.

11 Use of Reasonable Force

The Trust strives to provide a safe learning environment for all pupils. All members of staff (and anyone whom the Headteacher has given the responsibility to be in charge or in control of the pupils) are lawfully permitted to use reasonable force to prevent pupils committing an offence, injuring themselves or others, damaging property, and to maintain good order and discipline in the classroom.

This power extends to times when staff are lawfully in charge of pupils but are off the academy premises i.e. on a school trip. There is no definition of when it is reasonable to use force and every situation will have to be judged by the person in charge at that time. The degree of force used should be the minimum needed to achieve the desired result.

Sometimes, pupils may get anxious or agitated and strategies used to help pupils calm down such as using communication skills, distraction techniques and removing triggers may not yield results. On rare occasions staff may have to use physical interventions to ensure the pupil's own safety, the safety of other pupils and staff, or to ensure that property is not seriously damaged. Any use of physical intervention will be carried out in line with Team Teach training and guidance.

All incidents where pupils need to be held to help them to calm down will be recorded and if necessary, any individual Behaviour Plan and/or Pastoral Support Plan and/or Individual Provision Maps reviewed, and parents will be informed as a matter of course. Staff involved will also be provided with a debrief relating to the incident.

12 Serious breaches of academy discipline

Certain actions by pupils at the academy constitute serious breaches of discipline. Such breaches may attract a period of suspension, to be served either internally or externally depending on the circumstances, or in extreme cases permanent exclusion may be considered. Reference should be made to the DfE statutory guidance for those with legal responsibilities in relation to exclusion. Serious breaches of discipline may include:

- Physical assault on staff or pupils
- Verbal abuse of staff or pupils
- Damage to academy property including the building
- Substance abuse
- Racially motivated incidents
- Other behaviour which is against the criminal law
- Carrying an offensive weapon

Further guidance can be found in Appendix 6 and 7.

Where serious breaches of academy discipline occur, they must be brought to the attention of the Headteacher or, in his/her absence, the Deputy Headteacher and/or Assistant Headteacher, as soon as practicable.

13 Bullying

East Midlands Academy Trust is completely opposed to bullying and will not tolerate it. It is entirely contrary to the values and principles we work and live by. Bullying is anti-social behaviour and affects everyone; it is unacceptable and will not be tolerated in any of our academies.

The Trust will take all reasonable measures to ensure the safety and wellbeing of all pupils and staff and this includes protection from bullying. Bullying is defined as the **repetitive, intentional harming of one person or group by another person or group, where the relationship involves an imbalance of power**. This can

include emotional, physical, racial, sexual, verbal (direct or indirect) and cyber-bullying.

The Trust will ensure that the PSHE curriculum implementation and impact is monitored so that pupils are taught about bullying and know what to do when bullying occurs.

Bullying will be dealt with in accordance with **East Midlands Academy Trust Anti-Bullying Policy**.

14 Cyber Bullying

Academy leaders, teachers, school staff, parents and pupils all have rights and responsibilities in relation to cyber bullying and should work together to create an environment in which pupils can learn and develop and staff can have fulfilling careers free from harassment and bullying.

The academy will offer support to parents on how to help their pupils engage safely and responsibly with social media, through parents' evening, advice in the academy newsletter or signposting to other sources of support and advice.

School staff will inform parents immediately, if they discover that there are concerns relating to the access of social media at home.

Creating a good academy - parent relationships can help create an atmosphere of trust that encourages parents to raise concerns in an appropriate manner. Part of this is making sure that parents and carers are aware and understand how to communicate with the academy. It is not acceptable for any pupil, parent or member of staff to carry out any form of bullying either face to face or via Social Media. Academies should encourage all members of the school community including parents to use social media responsibly. Parents have a right to raise concerns about the education of their child, in an appropriate manner.

15 Academy rules/code of conduct

The rules/code of conduct relating to the academy are detailed in Appendix 4.

16 Involvement of outside agencies

The academy works positively with external agencies. It seeks appropriate support from them to ensure that the needs of all pupils are met by utilising the range of external support available.

This might include:

- Educational psychologist.
- Educational welfare officer.
- School health nurse.
- Social services.

17 Complaints

If parents/carers have any concerns or wish to complain in regard to the application or implementation of this policy, they should raise their concerns with a staff member or the Headteacher in accordance with the Trust's Complaints Policy.

If the concern relates to a suspension and/or exclusion, the statutory procedure set out in the exclusions guidance will be followed.

18 Review of the Behaviour Policy

The Academy Trust will regularly review the Behaviour Policy and associated procedures, to ensure their

continuing appropriateness and effectiveness. The review will take place in consultation with the Academies, Local Advisory Boards, Headteachers, staff and parents/carers.

The Headteachers and East Midlands Academy Trust, in consultation with staff, will undertake systematic monitoring and conduct regular reviews of the individual academy Behaviour Policy and procedures in order to evaluate them to ensure that the operation is effective, fair and consistent.

The Headteachers will keep the Trust Board and LABs informed.

The outcome of the review will be communicated to all those involved, as appropriate.

Behaviour will be monitored by following individual academy processes, using appropriate levels, with sanctions agreed by the Headteachers (Appendix 3).

19 Linked Academy policies

This policy should be implemented in conjunction with other academy policies, including:

- Safeguarding & Child Protection Policy
- Equality & Diversity Policy
- Anti-Bullying Policy
- Online Safety Policy
- Teaching and Learning Framework
- SEND Policy
- Pupil Suspension & Exclusion Policy

Appendix 1: Academy behaviour curriculum guidelines

At Castle Academy, we want to prepare our pupils for the life that lies ahead of them and believe that explicit teaching of outstanding behaviour is an integral part of this. Our behaviour curriculum has been designed to build our pupils' character, preparing them for a successful future. Through our behaviour curriculum, we teach outstanding behaviour through clear expectations, routines and opportunities for all staff and children to rehearse, model and refine these behaviours. We want our pupils to understand how and why we behave and to have frequent opportunities to practise doing so, in order for these behaviours to become intrinsic in their day to day lives. Our behaviour curriculum is designed to be accessible for pupils from Nursery to Year Six and is adapted to suit the needs of all pupils including those with SEND and other additional needs – we want every child to succeed.

Our school motto is Castle Never Stops Learning!

Our core values are Respect, Pride, Resilience, Collaboration, Trust and Hope.

|  Be Ready |  Be Respectful |  Be Safe |
|--|---|---|
| We arrive at school on time, every time We get to lessons on time. We wear the correct uniform with pride and have the right clothes for PE and playing outdoors. We make sure we have the right equipment for the day. We take part fully in lessons and show resilience. | We always listen when an adult is talking. At Castle Academy we want to teach all of our children good coping and regulation strategies so they can help themselves when they experience anxiety or stress. In the classroom, sometimes children experience anxiety when faced with a tricky learning problem or challenge. By teaching them how to cope with these feelings might make them better at tackling learning challenges and build better resilience so they don't give up so easily when faced with difficulty.

We want children at Castle Academy to grow into successful teenagers then adults. Teaching the children at a young age about managing their feelings will support them in later life so that they don't turn to negative coping strategies which affect their mental and physical wellbeing.

We aim to help children to:

- Recognise when they are experiencing different emotions and learn that these feelings are okay.
- Increase their emotional vocabulary so they can explain how they are feeling.
- Recognise when other people are experiencing different emotions, thus developing better empathy.
- Develop an insight into what might make themselves and others experience these emotions.
- Understand that emotions, sensory experiences such as lack of sleep or hunger and their environment might influence their emotions.
- Develop problem-solving skills and resilience
- Identify a range of calming and alerting strategies that support them.

Appendix 2: Academy reward system

We believe that the quality of relationships in our school is our biggest strength and the most powerful tool in creating a positive learning environment. Classrooms should always be calm, positive, secure places in which pupils feel valued and safe. Class expectations, based on our core values, are established at the start of each year and displayed clearly in each classroom. Class routines are essential in creating a sense of security.

Celebrating Success

All pupils are expected to make positive choices. We will celebrate individual success accordingly, including sharing beyond the classroom.

Proud Cloud

Pupils' names will be added to the Proud Cloud throughout the school day for making positive choices within the classroom and around school. The aim would be for all pupils to be on the Proud Cloud at some point during the day. Teachers will support and challenge those who struggle to get their names on the board, utilising a range of strategies. **Names should not be removed from the cloud until the end of the day.**

House Points

Pupils in our Academy are all allocated to one of four houses, Bamburgh, Dover, Tintagel and Warwick. The house names were chosen by the School Council and voted for by all pupils. House points are awarded for demonstrating school expectations, including demonstrating the school values, being helpful, good behaviour, attitude and for going above and beyond.

Each groups' house points are counted up at the end of the week, and the winning house announced in assembly. The winning house is presented with a cup with a coloured ribbon relating to their house. The House Captains from Year 6 collect the cup and place it at the front of the entrance to the school. Our aim is that pupils will encourage members of their house to try their best in every aspect of school life. Houses are used at other times throughout the year, including Sports Day. The pupils respond to this positive approach where their efforts are seen to be valued, and make considerable efforts to improve their work, and, where necessary, their behaviour.

Celebration Assembly

On a Friday morning, all year groups attend our Celebration Assembly. Class teachers select one pupil to receive each of the following awards:

- Remarkable Reader
- Golden Writer
- Marvellous Mathematician
- Merit Certificate

Teachers ensure that all of the pupils receive an award at some point throughout the year.

Class awards given out are as follows:

- Reading Award
- Attendance Award

In addition, an award is given to the house team that has collectively accrued the most team points, and sports awards are handed out as appropriate.

Appendix 3: Academy sanctions system

We believe that all actions have consequences. Our approach is to ensure we listen to pupils and support them to understand how their choices impact on others. This will enable our pupils to make better decisions in the future. Each child is different, so it is important that the cause of the behaviour is investigated, and plans are made to meet individual needs. Where necessary, behavioural targets will be set with the class teacher, SENCO, child and parents.

By using a positive system of rewards and reinforcing good behaviour we help pupils to be positive about themselves and enable them to reach their true potential. We recognise that mistakes are made by everyone, and we can use these opportunities as a learning tool.

123 Magic

The whole school uses a behaviour management programme called 123 Magic. Any minor unacceptable behaviour will be counted beginning with a '1'. If the pupil does not stop, the count moves to a '2'. By the count of 3, the pupil will be issued with a consequence, decided by the adult who has counted.

For more serious behaviours, pupils will be issued with an 'Immediate 3' which will mean they will receive a consequence for their behaviour. Pupils receiving 3s will have their names recorded by the class teacher. Parents will be notified.

Appendix 4: Academy rules/code of conduct

Our Core Values are formulated with the safety and wellbeing of the pupils in mind to enable the school to function efficiently as a place of learning. We believe that an understanding of shared values is at the centre of our life in our school, so we encourage our pupils and staff to think and reflect on their behaviour and values. Actions have consequences and we work to support everyone in understanding how what they do and say, and what they do not do and do not say, can impact on others.

The caring and nurturing of the pupils by staff, and the behaviour of staff towards each other, are vital for the wellbeing and success of the school. Thus, being a positive role model, i.e. behaving in the way we would like our pupils to behave, is central and shows our expectations in actions and words.

Academy Expectations

We are proud to belong to Castle Academy and we work together to make our school a special place by following these consistent expectations.

Our expectations, known as Our Core Values, are:

- Resilience
- Respect
- Pride
- Hope
- Collaboration
- Trust

Appendix 6: Serious breaches of academy discipline

Physical assault on staff and pupils

In cases where a pupil deliberately and with intent, either offers violence or assaults a member of staff or another pupil, then this should be viewed with severity and may be punishable in the first instance by suspension. Depending on the circumstances permanent exclusion may be considered.

Where the assault was unintentional as the result of careless or reckless behaviour, then parents should be notified as soon as practicable; one formal warning will be issued to the pupil together with an academy sanction which may involve exclusion.

Verbal abuse of staff and pupils

Where a pupil deliberately and maliciously directs verbal insults or abuse at a member of staff or another pupil, subject to confirmation, the pupil may be suspended.

Where a pupil swears or utters insults in such a manner that there is some doubt as to whom the abuse is directed at or is, for example, muttered whilst walking away from the incident, parents will be informed as a matter of course and a formal warning issued.

A repeat offence may attract a permanent exclusion.

Malicious damage to academy property

For incidents of deliberate, significant and malicious damage to academy property, pupils may be permanently excluded and, where possible will be required to help make good the damage. Parents will be billed for repairs where appropriate.

Substance abuse

Any pupil buying, selling, using or in possession of illegal substances may be permanently excluded. It is not permitted to use suspension pending investigation by the academy and police and then to transfer a suspension to a permanent exclusion without significant new information coming to light. The school will assess the information available and may decide to implement a permanent exclusion during the investigation, withdrawing this if the evidence does not support the decision after further investigation.

Racist abuse and other racially motivated incidents

Consideration will be given to a suspension. The incident must be recorded and, depending on the circumstances, the police will be informed.

Other behaviour deemed to be criminal including sexual abuse and assault

As a matter of course, the police will be involved if the incident is of a serious nature.

In minor cases of petty theft between pupils, parents will be informed and unless the matter can be resolved internally to everyone's satisfaction, further appropriate sanctions, including suspension, will be considered.

Where such a crime is committed against a member of staff, subject to evidence, the pupil may be permanently excluded pending further investigation, possible police action or meeting with parents.

Weapons

Carrying an offensive weapon in the academy will result in a permanent exclusion.

– Bringing weapons into the academy

The new *Searching, screening and confiscation guidance: advice for schools* issued by the government came into force on 1st September 2022. This publication is intended to explain the screening, searching and confiscating powers a school has, ensuring that headteachers and members of staff have the confidence to use these powers and schools are a calm, safe and supportive environment to learn and work. This publication also provides advice to headteachers and staff on their related legal duties when it comes to these powers. It also includes statutory guidance which schools must have regard to.

With-consent searches

Schools are allowed under common law to search pupils with their consent for any item which is banned under behaviour policies, including weapons. They are not required to have formal written consent from the pupil. If the pupil refuses, the school staff can apply an appropriate punishment as set out in the school's behaviour policy. They can also insist on a without-consent search.

Without-consent searches

Schools have statutory powers to search a pupil without his or her consent if there are reasonable grounds for suspecting that the pupil has any of the following items:

- knives or weapons, alcohol, illegal drugs and stolen items
- tobacco and cigarette papers, fireworks and pornographic images
- any article that the member of staff reasonably suspects has been, or is likely to be, used to commit an offence, or to cause personal injury to, or damage to property
- any item banned by the school rules.

Examples of “reasonable grounds for suspicion” are that a teacher may have heard pupils talking about the item or they might notice suspicious behaviour. Schools should normally only use the power of without-consent searches as a last resort. Where staff suspect that a pupil is carrying a weapon, they should ask them to surrender the weapon or consent to a search.

If the pupil refuses, a Headteacher or member of staff authorised by the Head can conduct a search without consent. Two members of staff must be present, a searcher and a witness. The searcher and the witness must be of the same sex as the pupil searched and must be school staff.

However, the guidance states that staff can carry out a search of a pupil of the opposite sex and without a witness present in exceptional circumstances — where it is reasonably believed there is a risk of serious harm if the search is not conducted immediately and where it is not reasonably practicable to summon another member of staff.

Authorised staff

Headteachers can decide who to authorise to use these powers. Staff must agree to the role and, other than security staff, may refuse. There is no requirement to provide authorisation in writing or for a member of staff to be trained before undertaking a without-consent search. However, a Headteacher should consider whether any additional training is required to enable him or her to carry out these responsibilities.

During the search

The power to search without consent enables a personal search, involving removal of outer clothing and searching of pockets, but not an intimate search going further than that, which only a person with more extensive powers (e.g. a police officer) can do. Where the pupil refuses to remove outer clothing, the searcher can use reasonable force to remove, for example, an overcoat. Staff must not require a searched pupil to remove, and must not themselves remove, clothes beneath outerwear.

Use of force

All school staff have the power to use reasonable force to prevent pupils committing an offence, injuring themselves or others, or damaging property, and to maintain good order and discipline in the classroom.

Headteachers and authorised staff can use reasonable force when searching a pupil without consent for knives or weapons, alcohol, illegal drugs, stolen items, tobacco and cigarette papers, fireworks, pornographic images or articles that have been or could be used to commit an offence or cause harm. Such force cannot be used to search for items banned under the school rules.

The guidance emphasises that the power to search is not a duty and should only be used where staff judge that it is safe to do so. If a school suspects a pupil is carrying a weapon and decides a search would not be safe, it should call the police.

The power to seize

Section 91 of the Education and Inspections Act 2006 empowers a member of school staff to confiscate, retain or dispose of a pupil's property as a disciplinary penalty, where reasonable to do so. Any article thought to be a weapon must be passed to the police.

Staff liability

The power to search pupils without consent and confiscate knives or other weapons is a statutory power and, as long as staff act lawfully, they will have a robust legal defence.

Liaising with parents

The updated searching, screening and confiscation guidance states the following about liaising with parents:

- Schools should reinforce the whole-school approach by building and maintaining positive relationships with parents. Parents should always be informed of any search for a prohibited item that has taken place, and the outcome of the search as soon as is practicable. A member of staff should inform the parents of what, if anything, has been confiscated and the resulting action the school has taken, including any sanctions applied.
- Schools should consider that in some circumstances it might also be necessary to inform parents of a search for an item banned by the school policy.
- Any complaints about searching, screening or confiscation should be dealt with through the normal school complaints procedure.

Screening

Calls for routine weapons screening in schools have been made over the years and the law does allow schools to require pupils to undergo screening by a walk-through or hand-held metal detector even if they do not suspect them of having a weapon and without their consent, if necessary.

If a headteacher decides to introduce a screening arrangement, they should inform pupils and parents in advance to explain what the screening will involve and why it will be introduced.

This type of screening, without physical contact, is not subject to the same conditions as apply to the powers to search without consent. If a pupil refuses to be screened, the school may refuse to have the pupil on the premises. In such cases, the school has not excluded the pupil and the absence should be classed as unauthorised absence.

Prevention

Powers to screen and search without consent should be applied with care and within a framework of safety policies agreed by school governors, senior management teams and staff and communicated to parents. Schools strive to maintain relationships of trust between pupils and teachers and will want to ensure that the problem of weapons does not threaten that relationship. Many believe that the best way to keep weapons out of schools is to educate pupils in better behaviour and in the dangers of carrying a knife by effective prevention campaigns. The aim of these should be to help pupils resolve conflicts without violence and to know more about the dangers of, and penalties for, carrying a weapon.
